## THE GREAT PLANT HUNT AT WAKEHURST PLACE

### Introduction

The children are invited to imagine how Lily Ash and Joseph's world would change if there were no plants. The children make the link between plants and the everyday objects and possessions which surround the characters and in doing so they deconstruct the scene presented to them.

### Activity 1

#### The Plant Detectives Thinking Walk

Go on a trail to discover how amazing plants are and use your detective skills to work out how the plant has adapted to live where you find it.

### Activity 2

#### Visit the Millennium Seed Bank

Visit the final destination of the collection of daisy seeds your school have made or will be making. Investigate the work of the Millennium Seed Bank by exploring the process of seed conservation.

Plant  
Detectives

### Activity 3

#### Unlock the key

Use keys to solve the mysteries of plant identities, variation and adaptation.
