

## KS2 Pollination

### Classroom activity pack

This pack contains a series of activities for you to complete with your class both before and after your visit to Kew.

You may choose to do all of the activities or just select one. Post-visit activities are intended to build on the learning from the educational session at Kew. Many of the resources can be used on a whiteboard or can be printed.

### Pre-visit teacher notes

Thank you for booking the KS2 Pollination education session at Kew.  
You can use the pre-visit activity to support your pupils' learning.

Ahead of your visit, your pupils could answer the question below.  
They can tell us about their answers when they come to Kew.

 **Question:**  
Why are pollinators important?

You can encourage your pupils to use this key vocabulary:  
Flowering plants, reproduction, attract, life cycle, fertilisation, pollen, transfer,  
pollinate, pollinator, ovary, pollen tube.

## Pre-visit pupil activity

**?** Why are pollinators important?

Try to use this vocabulary in your answer.

flowering plants

pollinate

attract

life cycle

ovary

fertilisation

transfer

pollen
