

Bibliography for *Cinchona*

Books

1. **Bagchi, A. K. and K. Soman** 2005 *Maladies, preventives and curatives : debates in public health in India*. New Delhi: Tulika Books, viii, 173.
2. **Duran-Reynals, M. L. d. A.** 1946 *The fever bark tree : the pageant of quinine*. Garden City, New York: Doubleday & Company, ix, 275.
3. **Gramiccia, G.** 1988 *The life of Charles Ledger, (1818-1905) : alpacas and quinine*. Basingstoke: Macmillan, xiv, 222.
4. **Harrison, G.** 1978 *Mosquitoes, malaria, and man: a history of the hostilities since 1880*.
5. **Honigsbaum, M.** 2001. *The fever trail: in search of the cure for malaria*. London: MacMillan.
6. **Howard, B. F.** 1931 *Some notes on the cinchona industry*. London: Institute of Chemistry of Great Britain and Ireland, 22 , [3] of plates.
7. **Howard, J. E.** 1853 *Examination of Pavon's collection of Peruvian barks contained in the British Museum*. London: The Author, vi; 47.
8. **Jaramillo Arango, J.** 1950 *The conquest of malaria*. London: Heinemann, xiv, 125.
9. **Jarcho, S. and F. Torti** 1993 *Quinine's predecessor : Francesco Torti and the early history of cinchona*. Henry E. Sigerist series in the history of medicine Baltimore ; London: Johns Hopkins University Press, xviii, 354.
10. **Maehle, A. H.** 1999 *Drugs on trial: experimental pharmacology and therapeutic innovation in the eighteenth century*. *Clio Medica* 53. Amsterdam: Rodopi, 1-376.
11. **Markham, C. R.** 1880 *Peruvian bark. A popular account of the introduction of chinchona cultivation into British India 1860-1880*. London: John Murray, xxiii, 550.
12. **Moreau, R. E.** 1945 *An annotated bibliography of cinchona-growing from 1883-1943*. Nairobi: Government Printer, 41.
13. **Pardo Valle, N.** 1951 *Cinchona versus malaria; historia, economÃ­a, ciencia*. La Paz: Universo, 244.
14. **Rocco, F.** 2003 *The miraculous fever-tree : malaria, medicine and the cure that changed the world*. London: HarperCollins, xix, 348.
15. **Strickland, C. F. and Indian Village Welfare Association.** 1939 *Quinine and malaria in India*. London: Humphrey Milford Oxford University Press, 19.
16. **Taylor, N.** 1945 *Cinchona in Java : the story of quinine*. New York: Greenberg Publisher, 87 , [16] leaves of plates.
17. **Wellcome, H. S. and L. W. G. Malcolm** 1930 *Souvenir cinchona tercentenary celebration and exhibition at the Wellcome Historical Medical Museum, 54 Wigmore Street, London, W.1*. London: Wellcome Foundation, 115.
18. **Williams, D.** 1962 *Clements Robert Markham and the introduction of the cinchona tree into British India, 1861*. *Geographical journal*. [Offprint] [431]-442, [1] leaf of plates.
19. **Wilson, C. M.** 1945 *New crops for the new world*. New York: Macmillan, viii, 295.
20. **Ziegler, V.** 2003 *Die Familie Jobst und das Chinin : Materialwarenhandel und Alkaloidproduktion in Stuttgart 1806-1927*. Berlin: Verlag fÃ¼r Geschichte der Naturwissenschaften und der Technik.

Journal articles

1. **Bergman, G. J.** 1948 The history and importance of cinchona bark as an anti-malarial febrifuge. *Science Education* 32: 93-103.
2. **Bickel, M. H.** 1999 [The American Malaria Program (1941-1946) and its sequelae for biomedical research after World War II]. *Gesnerus* 56 (1-2): 107-19.

40. **Speechly, H. M.** 1949 The history mediaeval and modern of quinine. *Manit Med Rev* 29 (11): 587-91.
41. **Spelman, K. and J. Yesko** 2007 Paradise nearly lost: Jamaica's forgotten cinchona gardens. *Herbalgram* (74): 44-53.
42. **Worthen, D. B.** 1996 The national quinine pool: when quinine went to war. *Pharm Hist* 38 (3): 143-7.
43. **Yoeli, M.** 1974 Landmarks in malaria research (a review). *Acta Trop* 31 (4): 321-8.

Printed material

Books

Botany, medicine and quinology

1. **Andersson, L. and M. L. Kawasaki** 1998 *A revision of the genus Cinchona (Rubiaceae-Cinchoneae)*. Memoirs of the New York Botanical Garden, v. 80-81 Bronx, N.Y.: New York Botanical Garden, 75, 40.
2. **Cross, R.** 1871 *Report on the collecting of seeds and plants of the Cinchonas of Pitayo*. London: Her Majesty's Stationery Office, 52.
3. **Cross, R.** 1879 *Report by Robert Cross of his mission to South America in 1877-78 to collect plants of the quinine bark tree known as "Calisaya of Santa F ," or "Soft Columbian," on the eastern Andes of New Granada, and of the Carthagena bark, on the central Cordillera*. London: Her Majesty's Stationery Office, 53.
4. **Delondre, A. and A. Bouchardat** 1854 *Quinologie; des quinquinas et des questions qui, dans l' tat pr sent de la science et du commerce, s'y rattachent avec le plus d'actualit *. Paris: Baillillere, 48.
5. **Fl ckiger, F. A.** 1884 *The cinchona barks: pharmacognostically considered*. By Friedrich A. Fl ckiger. Translated from the original text, with some additional notes, by Frederick B. Power. London: J. & A. Churchill, viii; 101.
6. **Fl ckiger, F. A. and D. Hanbury** 1874 *Pharmacographia. A history of the principal drugs of vegetable origin*. London: MacMillan, xvii; 704.
7. **Gorkom, K. W. v.** 1883 *A handbook of cinchona culture*. Amsterdam: J. H. de Bussy; etc. etc., 6 l., 292.
8. **Guibourt, N. J. B. G.** 1850 *Histoire naturelle des drogues simples ou cours d'histoire naturelle. Quatri me  dition*. Paris: J.-B. Baillillere,
9. **Hamilton, J.** 1883 *Notes and statistics of cinchona bark*. Lond.:
10. **Harris, W. and R. Chiswell** 1683 *Pharmacologia anti-empirica: or A rational discourse of remedies both chymical and Galenical. : Wherein chymistry is impartially represented, the goodness of natural remedies vindicated, and the most celebrated preparations of art proved incapable of curing diseases without a judicious and methodical administration. Together with some remarks on the causes and cure of the gout, the universal use of the Cortex, or Jesuits powder, and the most notorious impostures of divers empiricks and mountebanks*. London,: Printed for Richard Chiswell at the Rose and Crown in St. Pauls Church-yard, [32], 332, [12].
11. **Hooker, W. D.** 1839 *Inaugural dissertation upon the cinchonas, their history, uses, and effects*. Glasgow: University Press,
12. **Howard, J. E.** 1853 *Examination of Pavon's collection of Peruvian barks contained in the British Museum*. London: The Author, vi; 47.
13. **Howard, J. E.** 1862 *Illustrations of the Nueva quinologia of Pavon*. London: L. Reeve,
14. **Howard, J. E.** 1869-1876 *The quinology of the East Indian plantations*. London: L. Reeve,
15. **Imperial Institute London. Indian Trade Enquiry.** 1922 *Drugs and tanning materials: reports on cinchona bark and myrobalans*. London: The Institute, [x] 59.
16. **India dept. of agric. and A. T. Gage** 1918 *Report on the extension of cinchona cultivation in India, by A.T. Gage*. Calcutta:
17. **India dept. of statistics.** 1897 *Statistics of cinchona cultivation*. (Calcutta: 1895-99.
18. **Junghuhn, F. and J. E. de Vry** 1861 *The cultivation of the quina tree in Java, to the end of the year 1859*. London: Her Majesty's Stationery Office, 75.
19. **Jussieu, J. d.** 1936 *Description de l'arbre a quinquina : m moire in dit de Joseph de Jussieu*. Paris: Soci t  du traitement des Quinquinas, 44.

20. **Karsten, H.** 1858 *Die medicinischen Chinarinden Neu-Granada's*. Berlin: Schneider, 70.
21. **Karsten, H. and E. Poëppig** 1861 *Notes on the medicinal Cinchona barks of New Granada by H. Karsten and The Cinchona trees of Huanuco (in Peru) by E. Poëppig (translated from the German)*. London: Her Majesty's Stationery Office, 75.
22. **King, G.** 1876 *A manual of cinchona cultivation in India*. Calcutta:
23. **Lambert, A. B.** 1797 *A description of the genus Cinchona:comprehending the various species of vegetables from which the Peruvian and other barks of a similar quality are taken, illustrated by figures of all the species hitherto discovered, to which is prefixed Professor Vahl's dissertation on this genus, read before the Society of natural history at Copenhagen, also a description, accompanied by figures, of a new genus named Hyaenanche, or hyaena poison..* London: Printed for B. and J. White, ix, 54.
24. **Lambert, A. B., A. v. Humboldt, C. J. Laubert and H. Ruiz** 1821 *An illustration of the genus Cinchona : comprising descriptions of all the officinal Peruvian barks, including several new species. Baron de Humboldt's Account of the Cinchona forests of South America, and Laubert's Memoir on the different speies of Quinquina. To which are added several dissertations of Don Hippolito Ruiz on various medicinal plants of South America ... And a short account of the spikenard of the ancients.* London: Printed for J. Searle etc., ix, [1]. 181, [1].
25. **London Cinchona Bureau.** 1951 *Quinine, quinidine, and other cinchona alkaloids in clinical practice*. London,: 27.
26. **Madras presidency board of revenue. and H. Trimen** 1883 *Report on the cinchona plantations of the Nilgiris, by H. Trimen*. Peradeniya:
27. **Markham, C. R.** 1862 *Memorandum on Dr. Anderson's report on the subject of the introduction of the Chinchona into India*. London: James Bain, 32.
28. **Markham, C. R.** 1862 *Travels in Peru and India : while superintending the collection of chinchona plants and seeds in South America, and their introduction into India*. London,: J. Murray, xviii, 572 , [11] leaves of plates.
29. **Markham, C. R.** 1880 *Peruvian bark. A popular account of the introduction of chinchona cultivation into British India 1860-1880*. London: John Murray, xxiii, 550.
30. **Mclvor, W. G.** 1863 *Notes on the propagation and cultivation of the medicinal Cinchonas, or Peruvian bark trees*. Madras: Graves, Coodson,
31. **Monginot, F. and Belon** 1681 *A new mystery in physick discovered, by curing of fevers & agues by quinquina or Jesuites powder*. London: Printed for Will. Crook ... [60], 99, [9].
32. **Pereira, J.** 1857 *The elements of materia medica. Fourth edition. Volume II. Part II..* London: Longman,
33. **Pöppig, E.** 1835-1836 *Reise in Chile, Peru, und auf dem Amazonenstrome während der jahre 1827-1832*. Leipzig: F. Fleischer,
34. **Shaw, G. E. and Royal Institute of Chemistry.** 1935 *Quinine manufacture in India*. London: Institute of Chemistry of Great Britain and Ireland, 16.
35. **Spruce, R.** 1861 *Report on the expedition to procure seeds and plants of the Cinchona succirubra or red bark tree*. London: Her Majesty's Stationery Office, 112.
36. **Sturm, R. and Vidua & Haeredes Joannis Cnobbari** 1659 *Febrifugi Peruviani Vindiciarum pars prior. : Pulveris historiam complectens ejusque vires & proprietates juxta seneum dogmaticorum exhibens*. Antverpiae,: Apud Viduam & Haredes Ioannis Cnobbari., [12], 166, [8], 142, [10].
37. **Weddell, H. A.** 1849 *Histoire naturelle de[s] quinquinas [ou monographie du] genre quinquina suivie d'une description [du genre] cascarilla et de quelques autres plantes de la même tribu*. Paris: V. Masson, iv, 108.
38. **Weddell, H. A.** 1871 *Notes on the Quinquinas*.

Papers in the Pharmaceutical Journal

Botany, medicine and quinology

1. **Anderson, T.** 1863 First annual report on the experimental cultivation of the quiniferous Cinchona in British Sikhim, from 1st April, 1862, to 30th April, 1863. *Pharmaceutical Journal* 5 (5): 222-226.
2. **Anderson, T.** 1867 Analysis of Darjeeling Cinchona bark. *Pharmaceutical Journal*(November): 2-3.
3. **Anderson, T.** 1867 Analysis of Darjeeling Cinchona bark. *Pharmaceutical Journal* 9 (5): 244-245.
4. **Anon** 1860 On the introduction of the Cinchona trees into India. *Pharmaceutical Journal* 2 (4): 201-204.
5. **Anon** 1863 Introduction of Cinchona into India. *Pharmaceutical Journal* 5 (4): 156-159.
6. **Anon** 1868 The introduction of Cinchona to the island of Jamaica. *Pharmaceutical Journal* 10 (3): 166-168.
7. **Anon** 1875 Cinchona, or chinchona? *Pharmaceutical Journal* (February 13): 646-648.
8. **Anon** 1877 The commercial history of a cinchona plantation. *Pharmaceutical Journal*(November 24): 409-410.
9. **Anon** 1880 Acclimatization experiments in Jamaica. *Pharmaceutical Journal* (October 2): 277-278.
10. **Anon** 1882 Hints and suggestions for raising cinchona plants from seed and establishing cinchona plantations. *Pharmaceutical Journal* (March 11): 748-750.
11. **Anon** 1882 The supply of Cinchona bark. *Pharmaceutical Journal* (January 21): 613-614.
12. **Anon** 1883 The inaugural sessional address. *Pharmaceutical Journal* (October 6): 279-280.
13. **Anon** 1883 John Eliot Howard, F.R.S. *Pharmaceutical Journal* (December 1): 431.
14. **Anon** 1883 Obituary. *Pharmaceutical Journal* (December 1): 439.
15. **Anon** 1894 Practical pharmacognosy. *Pharmaceutical Journal* (July 21): 41-42.
16. **Anon** 1898 Practical pharmacography. *Pharmaceutical Journal* (Sept 24): 350-351.
17. **Anon** 1900 The materia medica of the pharmacopoeia. *Pharmaceutical Journal* (April 7): 387.
18. **Anon** 1901 Extra-official materia medica. *Pharmaceutical Journal* (May 4): 587-588.
19. **Anon** 1901 Extra-official materia medica. *Pharmaceutical Journal* (April 27): 552.
20. **Anon** 1904 The cinchona trade of Amsterdam. *Pharmaceutical Journal* (December 3): 810-811.
21. **Batka, J. B.** 1852 On Cinchona rubra and C. savanilla. *Pharmaceutical Journal* 11 (7): 321-323.
22. **Bidie, G.** 1883 Catalogue of specimens of Cinchona bark, with illustrative botanical specimens. *Pharmaceutical Journal* (April 7): 821-822.
23. **Broughton, J.** 1867 First report on Cinchona grown on the Neilgherry Hills. *Pharmaceutical Journal* 9 (5): 239-243.
24. **Broughton, J.** 1868 On a false Cinchona bark of India. *Pharmaceutical Journal* 9 (9): 418-421.
25. **Broughton, J.** 1872 Cinchona cultivation in India. *Pharmaceutical Journal* 2 (March 2): 705-707.
26. **Buchner, A.** 1851 On the tests for cinchona barks. *Pharmaceutical Journal* 11 (4): 164-169.
27. **Clarke, C. B.** 1870 Report on cinchona cultivation in Bengal. *Pharmaceutical Journal*(August 6): 109-110.
28. **Consular Report on the Agricultural Condition of Colombia** 1889 Cinchona cultivation in Colombia. *Pharmaceutical Journal* (January 19): 574.
29. **de Neufville, W.** 1881 Cinchona bark for the pharmacopoeia. *Pharmaceutical Journal*(October 29): 369-371.

30. **de Vrij, J. E.** 1873 Analysis of some barks of *Cinchona officinalis* and its varieties cultivated at Ootacamund. *Pharmaceutical Journal* (September 6): 181-183.
31. **de Vrij, J. E.** 1873 Analysis of some *Cinchona* barks grown in Jamaica. *Pharmaceutical Journal* (August 16): 121-123.
32. **de Vrij, J. E.** 1874 Analysis of some *Cinchona* barks cultivated at Ootacamund. *Pharmaceutical Journal* (May 2): 869-872.
33. **de Vrij, J. E.** 1874 Pharmaceutical tests for cinchona bark. *Pharmaceutical Journal*(August 15): 134-136.
34. **de Vrij, J. E.** 1874 Remarks on Javanese Calisaya bark and on quinidine in refutation of some statements in Dr. Hesse's paper on the same subject. *Pharmaceutical Journal*(December 26): 501-502.
35. **de Vrij, J. E.** 1878 A fast growing cinchona which produces much quinine. *Pharmaceutical Journal* (April 13): 805.
36. **de Vry, J. E.** 1864 On the cinchona bark of British India. *Pharmaceutical Journal* 5 (12): 593-597.
37. **De Vry, J. E.** 1864 On the determination of the amount of alkaloids in cinchona bark. *Pharmaceutical Journal* 6 (2): 50-52.
38. **de Vry, J. E.** 1872 *Cinchona caloptera*, Miq. *Pharmaceutical Journal* 2 (March 9): 723.
39. **de Vry, J. E.** 1872 The separation and quantitative determination of the different cinchona alkaloids. *Pharmaceutical Journal* 2 (February 10): 642-644.
40. **Delondre and Bouchardat** 1854 The *Cinchona* barks, and the more important questions which, in the present state of science and commerce, relate to them. *Pharmaceutical Journal* 14 (4): 165-168.
41. **Delondre and Bouchardat** 1854 The *Cinchona* barks, and the more important questions which, in the present state of science and commerce, relate to them. *Pharmaceutical Journal* 14 (2): 77-83.
42. **Delondre and Bouchardat** 1855 The *Cinchona* barks. *Pharmaceutical Journal* 14 (12): 570-574.
43. **Delondre and Bouchardat** 1855 The cinchona barks, and the more important questions which, in the present state of science and commerce, relate to them. *Pharmaceutical Journal* 14 (11): 513-517.
44. **Druce, G. C.** 1899 The early history of *Cinchona officinalis*. *Pharmaceutical Journal*(October 14): 360.
45. **Elborne, W.** 1884 *Cinchona* barks. *Pharmaceutical Journal* (February 16): 653-655.
46. **Fluckiger** 1881 *Cinchona* bark as an article of the official materia medica. *Pharmaceutical Journal* (April 30): 903-904.
47. **Giles, R. W.** 1882 Notes on the pharmacy of cinchona. *Pharmaceutical Journal*(September 23): 254-256.
48. **Greenish, H. G. and E. Collin** 1903 Vegetable powders and their diagnostic characters. *Pharmaceutical Journal* (June 20): 843-845.
